This application is in condition for allowance except for the following formal matters:

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

The address provided on the oath submitted on March 8, 2002 does not indicate whether it is for residence and/or mailing address. Applicant did not submit a proper oath after the addition of inventor Wayne Haase. The new oath has to incorporate all of the elements required by CFR 1.63 and 1.175 and the identification of an error upon which the reissue was filed.

Specification

The disclosure is objected to because of the following informalities: The amendment filed 10/19/06 is redundant in view of the amendment to the specification filed March 8, 2002. In the amendment filed March 8, 2002, "09/490,342" should be "08/490,342". Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
